

1968

Secretary's Report

The January meeting of the Wellesley ARS was held at 7:30 PM on Tuesday, January 9th in the Club Room. Due to illness Hank Cross was unable to give his presentation. Instead Club member George Downs gave a talk on Ionospheric Predictions in 1968. Your Secretary wishes to thank George for his excellent presentation.

Due to increased publicity in newspapers and on Commercial radio stations several Boy Scout groups have asked for station demonstrations. Plans were made for the demonstration of the Club station and other members stations.

In March Marshall plans to have a speaker on teletype procedures. The Club will also start making preliminary plans for Field Day.

Respectfully submitted,

Walter Lenk
Secretary
